THE GREATEST
WONDER OF MODERN TIMES!

HOLLOWAY'S PILLS

Long experience has proved the famous remedies to be most effectual in curing either the dangerous maladies or the slightest complaints which are more particularly incidental to the life of a man, or to those living in the East.

Occasional doses of these Pills will guard the system against those evils which so often beset the human race, viz.—coughs, colds, and all disorders of the liver and stomach—the frequent forerunners of fever, dysentery, diarrhoea, and cholera.

HOLLOWAY'S OINTMENT

Is the most effectual remedy for old sores, wounds, ulcers, rheumatism, and all skin diseases; in fact, when used according to the printed directions, it never fails to cure ails, deep and superficial ailments.

These Medicines may be obtained from all respectable Druggists and Store-keepers throughout the civilised world, with directions for use in almost every language.

Prepared only by the Proprietors, Thomas
Oxford Street, London.

Be careful of the name and mark on the box.

IS THE VERY BEST

Two Women!

A WOMAN'S ADVICE to women
is the best of advice. She knows
well what she is talking about,
bitter experience having been
her teacher. Read, therefore,
the following letters:—

From Mrs. M. A. CHERRY, Lake St., Perth, W.A.,
30th November, 1901.

"For some time I had been gradually declining in health, suffering from nervous exhaustion. My household work became a burden to me. I had to sit down and rest after the slightest exertion. This state continued until I became quite prostrated. I was advised to take Warner's Safe Cure by someone who had derived great benefit from it. When I had taken three bottles of the medicine I became quite strong again, my energy and vigour returned, and my work became a pleasure to me once more."

From Mrs. D. PARKER, Wilkinson St., Parkside,
S.A., 16th December, 1901.

"I have taken Warner's Safe Cure on several occasions during the past twelve years. The spring and early summer have always been trying times to me. I have not been ill enough to take to my bed; but would always have that tired depressed feeling that women are so subject to, and would feel quite run down and not fit for business. On no occasion has Warner's Safe Cure failed to restore my health."
