S. T. PATRICK'S COLLEGE, WELLINGTON.

CONDUCTED BY THE MARIST FATHERS.
Under the Distinguished Patronage of His Grace the Archbishop of Wellington.

The object of the Marist Fathers in this country, as in their colleges in Europe and America, is to impart to their pupils a thoroughly Religious and a sound Literary education, which will enable them in after-life to discharge their duties with honour to Religion and Society, and with credit and advantage to themselves. Students are prepared for the N.Z. University Junior and Senior Civil Service, Medical Entrance, Solicitors' General Knowledge, Bank and all other Public Examinations.

Students not preparing for the learned Professions have the advantage of a Special Commercial Course, under efficient management, where they are taught all that will be of use in mercantile pursuits.

Special attention is also paid to the teaching of Physical Science, for which purpose the College possesses a large Laboratory and Demonstration Hall. Vocal Music, Elocution, Drawing, and all other branches of a Liberal Education receive due attention.

Physical culture is attended to by a competent Drill Instructor who trains the students three times a week in Drill, Rifle Practice and Gymnastics. A large and well-equipped Gymnasium is attached to the College.

The religious and moral training of the pupils is an object of special care, and particular attention is bestowed on the teaching of Christian Doctrine.

A well-appointed Infirmary attached to the College is under the charge of the Sisters of Compassion, from whom in case of illness all students receive the most tender and devoted care, and who at all times pay particular attention to the younger and more delicate pupils, who without such care would find the absence of home comforts very trying.

THE COMING OF MARK HAMBOURG.
THE WORLD-FAMOUS PIANOFORTE GENIUS.

Four Concerts Only.

Mr. LEMMONE has great pleasure in announcing to Music-lovers what promises to be THE great Musical Event in the history of New Zealand. MARK HAMBOURG has visited Australia on three different occasions—the first time in 1895, when only a lad of 16, he completely electrified musical Australia with his wonderful genius. The second visit, in '97, was a triumphal march! In Melbourne he gave no less than 16 concerts, before audiences which packed the Town Hall. In Sydney a similar sensation was experienced. MARK HAMBOURG is now touring Australia for the third time. The sensation created on the present tour eclipsed anything ever witnessed in Sydney and Melbourne. The leading Sydney papers stated:—

The "Daily Telegraph": "It was an immensely delighted audience. . . The audience rose to its feet, and the scene was one of unprecedented excitement."

"S.M. Herald": "Mr. Hambourg's beautiful interpretation of the 'Appassionata Sonata' formed one of those musical moments which are cherished deep in the hearts of the hearers, there to remain whilst life and memory last."

The Melbourne "Argus": "An artistic Colossus."

"He completely had the audience at his mercy."

The "Age": "In the person of Mark Hambourg the people of Melbourne have with them the very finest pianist they ever heard, or are likely to hear if they go round the world to find another. His concert was a series of artistic triumphs; he roused his audience right beyond the stage when mere clapping of hands is sufficient outlet to the emotions, and they literally roared at him."

BORIS HAMBOURG, a young 'Cellist of extraordinary talent.

Miss MABEL BATCHELOR, a brilliant young Soprano.
