This old-established and popular Hotel is most carefully
managed by the proprietor,

JOHN GEBBIE.

Everything of the Best and all Drawn from the Wood.

A MUSICAL EDUCATION FOR HALF-A-CROWN.

The above heading will, of course, appear to most
people as the height of absurdity; yet the absurdity
is more apparent than real. It goes without saying
that a finished musical education in the regular
course cannot be had for half-a-crown, or even with
several hundred additional half-crowns; but can it
be truthfully said that the person with a sufficient
knowledge of music to play an accompaniment on the
piano or organ, to all the popular songs of the day, has
no musical education? Assuredly not. A musical
education on sufficient to enable one to play accompani-
ments to the songs sung in the home frequently gets
and gives more pleasure from the modest accompani-
ment than does many on whose education large sums
have been expended.

To the more modest musical education the above
heading applies. Such an education the 'N.Z. Tablet'
is now offering its music-loving readers for half-a-
crown, believing that it is the greatest benefit we can
give to our subscribers.

This ready-made musical education consists of
Pratt's Chart of Chords for the piano and organ,
which is the nearest approach to the ready-made
knowledge of music yet attained by science.

It is a short cut to harmony, and it is to music what
the multiplicative table is to arithmetic, a quick
method of learning to play the piano or organ without
a teacher.

With this Chart anyone can, with but a small
amount of practice, become an expert pianist. It is a
complete self-instructor, enabling anyone to play the
piano or organ at sight, and to play without difficulty
brilliant accompaniments to any song ever written.
It is valuable to the advanced musician as well as to
the beginner, embracing nearly every major and
minor chord used in music; and is endorsed by
teachers and musicians everywhere.

This Chart is the practical result of years of
study by Charles E. Pratt, the noted American com-
poser and musician, whose compositions have world-
wide popularity, and a larger sale than those of any
other American or European composer.

Believing that the educational value of this Chart
cannot be over-estimated, the 'N.Z. Tablet' has ar-
ranged with the publishers to supply Pratt's Chart of
Chords (published at 5s) to its readers at the reduced
price of 2s 6d each, with 2d added for postage, and in
addition to the Chart of Chords, the publishers have
kindly agreed to send, without extra charge, a copy
of the Coronet on Musical Folio, containing 48 pages of
sheet music, vocal and instrumental, by popular com-
posers. Payment to be made by P.O.O. or Postal
Note; which should have exchange added. From
districts where these are not issued, stamps will be
accepted, but 4d extra must be added to cover cost of
exchange, in addition to the postage.

Every home that has a piano or organ, especially
where there are children, should have Pratt's Chart of
Chords.

This offer is made for a short time only and 'N.Z.
Tablet' readers should avail themselves of it without
delay; and, in writing, always mention the 'N.Z.
Tablet.'
