Your Child's Teeth— Are They Sound?

You may think they are, but only a competent dentist can answer with certainty.

Let us examine them TO-DAY—and at regular intervals. That will check incipient decay and promote the health and happiness of your child.

Extractions are rarely necessary. Discoloured and decaying teeth can be cleaned and stopped. This work is done by the Principals only, and with such care and gentleness that the most timid child will not dread a second visit.

NEW ZEALAND TABLET

PERFECT BAKING!

Is what the Zealandia Oven ensures because the heat is evenly distributed and can be regulated to a nicety. Meats leave it tender and juicy, and Cakes and Scones never fail to rise, but are always light and deliciously toothsome.

There are also the further advantages of Fuel Economy and a Plentiful Hot Water Supply; and last but not least, the comfort of an Open Fire which the Zealandia alone affords.
