### FIRE-SWEPT PARISH, OHAKUNE

Our people, feeling the need of Catholic education for their children, determined to provide them with a Catholic school. This year a large and commodious school (where more than 80 Catholic children are now taught) was erected at a cost of £1600, and a convent was purchased at a cost of £1400—that is, a total of £3000. Our people have subscribed generously, but they are not rich in this world's goods, and they could only reduce the debt by £800. £2200 still remains as a debt. Since the erection of school and convent the terrible bush fires of last March swept over the district, inflicting heavy loss on some of our people. Moreover, we have no church and no presbytery yet. We are badly off. Hence we appeal to the benevolent throughout the Dominion to help us to keep the Faith in this backblocks and fire-swept parish. We are running a bazaar from February 12 to February 19, 1919, to relieve our debt. Donations in kind or money will be gratefully received and personally acknowledged. Address—

FATHER GUINANE, Ohakune.

Alas! for those who have gifts and talents, and have not used, or have misused, or abused them; who have had wealth, and have spent it on themselves; who have had abilities, and have advocated what was sinful, or ridiculed what was true. Alas! for those who never have attempted to cleanse their hearts or to live in God's sight.—Cardinal Newman.

### A RECENT EPIDEMIC

#### HAIR-FALLING.

The following, which appeared in the *Dominion*, Wellington, of January 21, will be of interest to our readers:—

Many people are quite naturally alarmed at the rapid falling-out of hair after influenza. After fever this trouble often appears, but since the late epidemic it has taken a more serious form than usual. Ordinary methods fail to have any effect.

It will be a relief to those afflicted to hear that Mrs. Rolleston has secured from London, at considerable cost, the formula of a specific which has been used with great success throughout Britain, where it is acknowledged as the standard remedy.

The special value of this lotion lies largely in the method of application, and full instructions are supplied. It is important to follow these carefully if immediate results are to be secured.

The preparation is sent to all parts of the North Island on application to Mrs. Rolleston, Lambton Quay, Wellington; and in the South Island from her branch at Cathedral Square, Christchurch; on receipt of 7s 6d, postage free. Mrs. Rolleston, who is one of New Zealand's leading Hair Specialists, qualified in London, Paris, and America, has made a special study of diseases of the hair and scalp. Already the very satisfactory results obtained by those who have used this preparation prove its efficacy, and it is with difficulty she is able to cope with the demand.

And no matter how dirty the clothes are "30 RUBBING" works like magic in clearing out the dirt and germs. 1/- packet, sufficient for seven weekly family washings. All Grocers.
