Look in the Mirror— —now smile!

Are there any decayed spots, uneven, discoloured teeth, or spaces where teeth should be—spoiling your whole expression?

It's the way with many people—a handsome face marred by defective teeth.

Yet why need it be?

Missing Teeth should be replaced by a crown or plate; or by bridgework, which I guarantee for ten years.

Decayed Teeth can be filled and made quite sound and serviceable again.

Discoloured Teeth can be perfectly cleaned.

By gentle scientific methods I can soon change a row of disfiguring teeth to a row of sound, pearly white teeth—teeth that make the sort of smile that people like to see.
