THE MOST POPULAR COFFEE IN THE DOMINION.

From the North Cape to the Bluff 'Club' Coffee has proved its superiority over all others to such an extent that probably more of it is sold than all other brands put together. That is why the get-up of it has been so closely copied by other manufacturers.

"CLUB" COFFEE

Is such a surprisingly good Coffee that those who once try it will never afterwards have any other brand. A perfect system of manufacture, combined with our superior facilities for importing the best quality beans, is largely responsible for the exquisite flavour of "Club" Coffee. But try it! You'll be astonished that you could have put up with other kinds. It's so different!

"It is clumsy to carry a bottle of milk with you to put in your tea, and you will find it much more convenient to carry a tin of condensed milk instead....."
"If you can get a little tin, you will probably use it all up, and, supposing there is some left, it tastes awfully good spread on bread. I have often used it like this when it has been impossible to get butter."
—BADEN-POWELL.
