Polling from 9 a.m. to 7 p.m.

Councillor Wilson has been continuously serving the Public Municipally since April, 1897. Mayor of Caversham for three years—1902, 1903, and 1904,—and is now serving his fourth year as Chairman of Public Works Committee, besides being a member of the Dunedin Fire Board.

TO THE DISTRICT ELECTORS OF THE CITY OF DUNEDIN.

LADIES AND GENTLEMEN,—

I beg to formally announce to you that I shall be a candidate for Mayoral Honors at the forthcoming election.

I am now the Senior Councillor on the Dunedin City Council, having been first elected to my present position as a representative for Bell Ward in March, 1904.

I have also had the privilege and pleasure of representing you upon other public bodies, including the Dunedin Drainage and Sewerage Board, of which I have been a member since February, 1903, and Chairman since 1905.

In response to numerous requests, I shall avail myself of an early opportunity of addressing the electors in the various wards, and hope thus to have the pleasure of making the personal acquaintance of ratepayers in the out-lying districts.

Should you do me the honor of electing me, I shall endeavour to the best of my ability to conserve the interests of all classes during my term of office without fear or favor.

Yours faithfully,

WILLIAM BURNETT.

THE 'POST' IN PILLORY

SINCE the first criticism of Dr. Cleary's Pastoral was formulated in the editorial columns of the *Evening Post*, there have appeared in that paper two letters from Dr. Cleary, and two leaders—ostensibly by way of reply—on the part of the *Post*. In addition, a third controversialist—in the person of the Rev. T. A. Williams, a bellicose Baptist clergyman of Petone—has officiously obtruded himself into the discussion. This gentleman has for some time past been very much in evidence as a noisy and violent no-Popery letter-writer; and his object in pushing himself to the front at this juncture is partly, no doubt, to assist the manifestly worried editor, but chiefly, it would seem, to keep himself in the limelight, and gain a certain measure of self-advertisement by mingling, if for ever so brief a space, with his intellectual betters. His letter—over a column in length—is mainly devoted to showing that it is not in accordance with Christian principle that the State should teach religion. Never once, not in the most remote or distant fashion, has Dr. Cleary even hinted at such a thing—he has, in point of fact, maintained with all possible emphasis that such a function clearly belonged
