

The Standard Rotary Shuttle

- SEWING MACHINE -

Is so very much better than any other machine we have ever seen (and, mind you, we have repaired and handled some thousands during the last 40 years) that we want everybody, whether buyers or not, to see and know all about it.

DO IT NOW! Don't you make a mistake. There are hundreds that are sorry because they did not see the Rotary until after purchasing another make. Everybody who examines the Rotary sees that it is the best and most up-to-date and *very* much better, also cheaper, than any other first-class machine.

Remember, we are not asking you to buy, but simply, to favor us by coming or sending for full particulars. All duplicate parts kept, also needles for all machines. Repairs to all makes skilfully done.
