YOUR MEDICINE

Prescribed for you by your Doctor, and dispensed here, contains every drug ordered and in the exact proportions; but more than this is necessary, absolute purity is of the first importance. We do not buy our Drugs just "haphazard" from the cheapest wholesale dealer, but Import them from a London firm, noted for their quality rather than their price.

If the medicine you are taking does not do you the good you expect, let us put our quality into it.

We were established in this town, in this street, in 1873—38 years ago—and our reputation for quality is such that we cannot afford to risk it now.
