Bonnington's — The Standard Family Cough Remedy

Time is the best test of a medicine. No matter what claims are made for a preparation, its real merits will be known ere many years. Many cough medicines have tried to secure popular favour in the past fifty years. Many failed, because performance was not equal to the claims they made. Yet, year after year, for over half a century, Bonnington's Irish Moss has steadily increased in sales and in popular favour. To-day it is the standard family cough remedy in more homes than ever before. Success is due to its exceptional merits, for no extravagant claims have been made on its behalf. Bonnington's Irish Moss is a sure and effectual remedy for coughs, colds and all chest and lung affections — for it contains no injurious drugs. Do not be put off with an imitation. Ask for and get Bonnington's — refuse the substitute of inferior quality.

Mature Judgment Chooses Amber Tips Tea

Grandfather and grandmother know good tea for they tried many a brand before satisfaction was obtained in Amber Tips Tea.

Do you wonder that they often say: "We wish we had been able to get such splendid value as Amber Tips at so low a price when we were starting life." They appreciate not only its delicious flavour, its quality, strength and aroma, but also its wholesome qualities. Digestion is not so active as in earlier years, and they know that Amber Tips can be taken with absolute comfort by even the weakest digestion. Grandmother saw that her girls were well trained in values, and they too buy Amber Tips Tea, knowing how economical and good it is.

The 2/- per lb. grade represents perfection in tea blending. For flavour purity, quality, strength — it is a lovely without an equal.

The 1/6 per lb. grade is a fine, full-flavoured tea, economical and thoroughly recommended by all who've tried it.

Another grade is sold at 1/- — excellent value for the price too.
