The Little Plot in the Cemetery—

Does it
Require Attention?

A concrete kerbing, the headstone renovated and re-set, an additional inscription cut? If so, let us attend to the matter. We are experts in this work, and will, for a very reasonable sum, restore its appearance and give it that well-cared-for look.

Possibly you have not yet erected a headstone. If so, we desire to say that we have a splendid range of the newest and latest designs in headstones and monuments in stock.

Write for prices, etc., stating the size and style of stone you would like. Posted free.
