Bonnington's—The Standard Family Cough Remedy

Time is the best test of a medicine. No matter what claims are made for a preparation, its real merits will be known ere many years. Many cough medicines have tried to secure popular favour in the past fifty years. Many failed, because performance was not equal to the claims they made. Yet, year after year, for over half a century, Bonnington's Irish Moss has steadily increased in sales and in popular favour. To-day it is the standard family cough remedy in more homes than ever before. Success is due to its exceptional merits, for no extravagant claims have been made on its behalf. Bonnington's Irish Moss is a sure and effectual remedy for coughs, colds and all chest and lung affections—for it contains no injurious drugs. Do not be put off with an imitation. Ask for and get Bonnington's—refuse the substitute of inferior quality.
