Bonnington's — The Standard Family Cough Remedy

Time is the best test of a medicine. No matter what claims are made for a preparation, its real merits will be known ere many years. Many cough medicines have tried to secure popular favour in the past fifty years. Many failed, because performance was not equal to the claims they made. Yet, year after year, for over half a century, Bonnington's Irish Moss has steadily increased in sales and in popular favour. To-day it is the standard family cough remedy in more homes than ever before. Success is due to its exceptional merits, for no extravagant claims have been made on its behalf. Bonnington's Irish Moss is a sure and effectual remedy for coughs, colds and all chest and lung affections — for it contains no injurious drugs. Do not be put off with an imitation. Ask for and get Bonnington's—refuse the substitute of inferior quality.

BUY THE BEST STARCH.

Colmans' Starch is the outcome of tests and experiments extending over 150 years. Don't be deluded into buying a cheap starch by the statement that it is equal to COLMAN'S. "COLMAN'S" is put on the market at the lowest price possible, and lower-priced articles are necessarily of inferior quality.

THE STORY OF AMBER TIPS.

Sifting the Tea.

READ THE SERIES.

After weighing, the tea leaf is placed on trays and taken to the upper floor of the factory. There it is spread on wire meshed trays one above another. A strong current of air is passed over these trays so that the right "withering" or drying of the leaf may take place. The leaf is sifted with sieves as shown—in the background will be seen the trays of dried leaves. Amber Tips Tea is a combination of the finest teas from the best plantations. In New Zealand merit is quickly appreciated. Folks soon recognised that in quality, fragrance, flavour and strength Amber Tips surpassed all others. To-day Amber Tips is the most popular tea in New Zealand—and it is rapidly increasing in favour. But success has its imitations—unscrupulous firms have imitated Amber Tips name and packet. The Amber Tips flavour and quality cannot be equalled. Do not be deceived. Ask for Amber Tips Tea—it is sold in three grades—1/8, 1/10 and 2/- per lb. 57
