

The Best Furniture is the kind Pegden makes

This is borne out by facts as scores of homes round about here can testify.

Furniture that is slammed together anyhow is no use to anyone—it costs as much as Pegden's and doesn't look as well or last a quarter of the time.

When you want furniture—whether it is a whole outfit or a single piece—come to Pegden's where every article is well and honestly made in all styles from the best of timber.

Good Accommodation and a hearty welcome for all old friends.

"Oh, yes, Annie! Ask the grocer to send us a case this time. Cook says Highlander Milk is the most useful thing she has in the kitchen for Cooking and Baking; and then Nurse uses such a lot for Baby."—"Yes'm; Cook says it's not only cheaper, but it's far richer and better than the foreign kinds."—"Very good! We know it's the best, because you can always depend upon it, and we've used it for so long."

The "Zealandia" takes a brilliant polish, because it is well made and finished. It is easy to clean, and has a wide ash tray that pulls clear over the fender.

For cooking and baking and economy of fuel it has no rival, and is the only Range with a cosy open fire. See it at your Ironmonger's, or write the Manufacturers—
