

TEMUKA CATHOLIC CLUB

(From the club correspondent.)

July 28.

The first re-union of the Temuka and Timaru Catholic Clubs took place in the rooms of the local club on Tuesday evening, when 25 members of the Timaru Club were the guests of the local club. Mr. J. Scott (president of the Temuka Club) extended a hearty welcome to the visitors. The first part of the programme took the form of a debate, 'That Temuka be incorporated as a suburb of Timaru.' Speeches were made by Messrs M. J. Doyle, J. Dunne, T. Quinn, and L. Duggan on behalf of amalgamation, and by Messrs. T. Knight, W. Spillane, and J. Scott in the cause of independence. After this highly amusing discussion all present sat down to supper, when a long toast list was gone through. The following were some of the toasts honored: 'Timaru Catholic Club,' 'The clergy,' 'Temuka Catholic Club,' 'Home Rule,' 'The press' (which included the *N.Z. Tablet*), 'Federated Catholic Clubs,' and 'The ladies.' Musical items were given by Messrs.

W. Spillane, M. Schaab, J. Toner, W. Fitzgerald, Scrimgeour, T. Hally, O'Brien, and others. At a suitable interval the president of the Timaru Club (Mr. O'Halloran) thanked the members of the Temuka society for their invitation, and also for the manner in which they had been treated. The proceedings closed with the singing of 'Auld lang syne.' Previous to the departure of the visitors arrangements were made for a re-union of the Timaru, Waimate, and Temuka societies in Timaru on August 7.

It was stated in a marriage notice which appeared recently in the *Tablet*, that the bridal veil was presented to the bride by the Nuns of the Sacred Heart, Timaru. This, a correspondent informs us, was not the case, as the Nuns of the Sacred Heart neither make nor present bridal veils.

The dairy cow should not be required to drink water that a person would be unwilling to drink himself.

Trench's Remedy

—FOR—

Epilepsy and Fits.

WHAT INDEPENDENT WITNESSES SAY.

Thankful Mothers' Testimony.

From Mrs A. LAWLESS, Lisanedan, Corboy P.O., Co. Longford, Ireland.

January 10, 1912.

'Your letter to hand, and in reply to same I am very glad to inform you that my son has not had a turn since last October twelve months, thanks to the benefits derived from your most valuable medicine. He is now as strong and healthy as ever he was in his life. You can make what use you like of my letter.'

From Mrs. JOHN SLEITH, 241 Leslie Street, Toronto.

January 22, 1912.

'I have been waiting to see if my son was permanently cured before writing to you. It is now eighteen months since he had an attack or any feeling approaching one.

'Since he was six years old he had been subject to them off and on, sometimes better and sometimes worse, and as he grew older they came on heavier and oftener. At eighteen he began taking your Remedy, and he got relief. At this time he got his leg broken and the shock brought on the fits again. He stopped the Remedy when he met with the accident. The attacks kept right on until two years ago. I begged him to take the Remedy again and give it a fair trial. This he did, dieting himself according to instructions, and we began to see a lessening of the attacks, until they ceased eighteen months ago, with no return of any since.

'He feels well and has gained in health and strength ever since. He spent six months out west in Saskatchewan on a farm and worked hard too. They were to report to me if there was any return of his trouble, but they said that there was none and he was enjoying the best of health, which I can truly say still continues. I am thankful to be able to report so highly of the good effect of your Remedy, and I trust, with God's blessing, my son may continue in good health. I have recommended your Remedy to several others, as I consider there is no other remedy so effectual for fits of any kind as Trench's Remedy.

'If this testimony from a thankful mother will induce any others who are afflicted to try your Remedy, you are at perfect liberty to make use of it.'
