Waimate

(From an occasional correspondent.)

The peal of three bells, ordered from the firm of Farnier Fils, Velars S. Ouche, France, for the Church of St. Patrick, Waimate, arrived by the Orari, and reached Waimate on August 22. The firm, which supplied them, has an experience of nearly 200 years in bell-casting. To insure quality of tone and durability, the maximum weight has been obtained. The cost of the peal with its steel mountings is £320, exclusive of freight and duty. His Grace Archbishop O'Shea has kindly consented to come to Waimate on Sunday next, August 31, to bless and consecrate the bells.
