THE AMBER TIPS STORY. Weighing the Pack.

READ THE SERIES.

Twice a day on the Plantations of Ceylon the baskets of freshly picked leaves are brought to the "Kanganees"—as the overseers are called. The baskets are then placed on the scales and the weight entered in the books. Our illustration shows a scene in a plantation—the overseer weighing a basket. Amber Tips Tea is blended from the finest teas from the finest plantations. The Amber Tips experts are recognised in Ceylon as the largest New Zealand buyers, and hence the best growths are offered to them. There's no better value on the market than Amber Tips. Delicious, full flavoured, perfect in quality and strength, the special airtight, damp-proof package maintains the high quality of the tea.

Bonnington's — The Standard Family Cough Remedy

Time is the best test of a medicine. No matter what claims are made for a preparation, its real merits will be known ere many years. Many cough medicines have tried to secure popular favour in the past fifty years. Many failed, because performance was not equal to the claims they made. Yet, year after year, for over half a century, Bonnington's Irish Moss has steadily increased in sales and in popular favour. To-day it is the standard family cough remedy in more homes than ever before. Success is due to its exceptional merits, for no extravagant claims have been made on its behalf. Bonnington's Irish Moss is a sure and effectual remedy for coughs, colds and all chest and lung affections — for it contains no injurious drugs. Do not be put off with an imitation. Ask for and get Bonnington's—refuse the substitute of inferior quality.

BUY THE BEST STARCH.

Colmans' Starch is the outcome of tests and experiments extending over 150 years. Don't be deluded into buying a cheap starch by the statement that it is equal to COLMAN'S. "COLMAN'S" is put on the market at the lowest price possible, and lower-priced articles are necessarily of inferior quality.
