## THE STORY OF AMBER TIPS. Sifting the Tea.

READ THE SERIES.

After weighing, the tea leaf is placed on trays and taken to the upper floor of the factory. There it is spread on wire meshed trays one above another. A strong current of air is passed over these trays so that the right "withering" or drying of the leaf may take place. The leaf is sifted with sieves as shown—in the background will be seen the trays of dried leaves. Amber Tips Tea is a combination of the finest teas from the best plantations. In New Zealand merit is quickly appreciated. Folks soon recognised that in quality, fragrance, flavour and strength Amber Tips surpassed all others. To-day Amber Tips is the most popular tea in New Zealand—and it is rapidly increasing in favour. But success has its imitations—unscrupulous firms have imitated Amber Tips name and packet. The Amber Tips flavour and quality cannot be equalled. Do not be deceived. Ask for Amber Tips Tea—it is sold in three grades—1/8, 1/10 and 2/- per lb. 57

## Grandfather Recommends Bonnington's.

Grandfather has proved after many a test that the best remedy for coughs and colds is the famous family cough medicine—Bonnington's Irish Moss. There's nothing to equal it. For children or adults nothing else is so safe and sure. Free from harmful drugs, it soothes the irritation, breaks up the cold, and sets matters right again.

Mr. Wm. Neighbours of Waimangaroa, writes:—

"It gives me great pleasure to recommend Bonnington's Irish Moss for coughs, colds or any lung complaints, having used it in my family for 20 years."

Refuse substitutes and get the original Bonnington's.

## BUY THE BEST STARCH.

Colmans' Starch is the outcome of tests and experiments extending over 150 years. Don't be deluded into buying a cheap starch by the statement that it is equal to COLMAN'S. "COLMAN'S" is put on the market at the lowest price possible, and lower-priced articles are necessarily of inferior quality.
