You wish you could? Well, why not try? Even the most successful artist started by "trying," and there is no reason why you should not be a successful artist if you try. Few artists are born. All of them have to be trained, and proper training leads to success. You will probably be able to make a good copy of this sketch, but the ability to make original drawings to produce saleable ideas requires training.

The "EVOLUTIONARY SYSTEM OF DRAWING" is a scientific course based on years of experience of oral tuition by our Principal, Mr. Joss, and it assists you to produce saleable drawings. We not only teach you to draw, but sell the work of our pupils to "Aussie" and other notable publications. Why not have your work in "Aussie?" You can if you want to, with very little trouble to yourself under our

The Rev. Charles Schoonians, S.J., College Saint-Servais, Liege (Belgium) writes to us expressing thanks to all co-operators in the matter of collecting old postage stamps.

He asked that collectors continue their efforts in the good work, and keep on sending. The stamps prove a great source of revenue for the missions, and every parcel is received with gratitude. If the name of the sender is enclosed, an acknowledgment is sent by Rev. Father Schoonians.
