We Specialise in
**BUILDING MATERIALS and
BUILDING CONSTRUCTION.**

We don't handle any other class of
goods. Just building materials only:
buying them for cash in large quanti-
ties first hand. That means that we
can quote lowest prices. If you need
a home—a farm building—a shed—or
anything in the building line—get our
estimate first. We've handled big
contracts, but any size building has as
much care. Estimates and plans pre-
pared to suit any requirements.
