We SPECIALISE IN

Building Materials and Building Construction

We don't handle any other class of
goods. Just building materials only,
buying them for cash in large quanti-
ties first hand. That means that we
can quote lowest prices. If you need
a home—a farm building—a shed—or
anything in the building line—get
our estimate first. We've handled big
contracts, but any size building has
as much care.

Estimates and Plans prepared to suit
any requirement.

To Secure
a Cozy Open Fire

Just pull the loop and the fire
opens, converting the Range into
an open fire, and making the Kit-
chen the cheeriest room in the house.
It is the closing but crowning blessing
the Zealandia affords, after it has done
its duty better than any other Range
and with very much less fuel.
