First Chapel

IN HONOR OF THE
"LITTLE FLOWER,"
VENERABLE SISTER
TERESA OF THE
CHILD JESUS.

The many clients of the "Little Flower" will, we are sure, be pleased to learn that the first chapel in Western Australia dedicated to her is to be built at the Sacred Heart Convent. It is requested that those desirous of sharing in this good work will respond to our appeal by contributing a (5/-) "brick." Persons doing so will have their names inscribed and kept in the New Chapel, where daily prayers will be offered for their intentions

Rev. Father Westropp's Indian Missions

There are over 50,000,000 outcasts in India, who, though as bright and intelligent as the rest of mankind, created by our common Father in Heaven as equals, are still by the very fact of birth nearly all condemned to a life of contempt, poverty, and ignorance, without any means of rising in life, or of obtaining an education. Their sole capital is frequently little more than the rags they wear. A failure of crops drives them into utter destitution. Among them are certainly 10,000,000 poor little boys and 10,000,000 poor little girls, whom the missionaries wish to educate and save, if only generous people would come forward and lend a helping hand. Who will do his bit towards opening the Gate of Life and Heaven for these little ones in the name of Him Who said: "Let little children come unto Me, for of such is the Kingdom of Heaven"? Are you letting them come to Him or preventing them by withholding the necessary means? Send your contribution to—
