Sole Agents for Jenkins' Standard '96 Packing. Best and Cheapest Jointing on the Market.

Beware of imitations. The Genuine is always stamped with Trade Mark like cut.
 '96 will not Rot, Burn, or Blow Out, and will last as long as the metals which hold it.

A FEW EXTRACTS FROM TESTIMONIALS:

"Saved us its cost many times over."
 "Best steam Jointing we have used."

"We have had Jenkin's '96 in a joint for over three years past, which we could not keep tight previously for more than four months at a time, and it is still tight."

A FAIR OFFER.—Use Jenkins' '96 Packing on the Worst Joint you have. If it is not as we represent we will refund the money.

We invite steam users to Write us Direct.
