WATSON'S PATENT SHOP WINDOW FRAMES

**LIGHT = = =
ECONOMICAL
DURABLE = =
ARTISTIC = =**

These Shop window frames are adapted for plate or other glass, and any size pane is held securely by a simple contrivance without the aid of putty.

Used in Kennedy's Buildings, Hannah's Buildings, and the Economic, Wellington; and Everitt's, and also Buxton's Buildings, Nelson; and to be seen in Palmerston North and Masterton.

Builders, Speculators and Shopkeepers should write for Prospectus to—

JOHN MOFFATT, Douglas-Wallace St., Wellington.

NOTICE.

"PROGRESS" is so distributed as to be obtainable at all principal stationers throughout New Zealand. In event of any of our readers being unable to procure a copy by this means, prompt notification, addressed to the Editor, would be appreciated.

In order to save time in correspondence the Editor desires to state that advertisements for "PROGRESS" are only accepted from reputable firms. Quasi-specialists and propounders of "cure-alls" need not therefore apply.
