A Word to Investors

EVERY investor likes a good and a quick **return** for his money, but of even primary importance is a **Perfectly Safe Return**. No one can afford to throw away money injudiciously or indiscriminately.

EAST & EAST

carefully investigate every proposition and satisfy themselves thoroughly as to its standing before recommending it.

Our clients have full confidence in our proposals, and we honour that confidence and spare no effort to retain it.

Having offices in both Wellington and Christchurch, we are in closest touch with all the best money-making investments of the Colony, and are always pleased to advise intending investors.

We have some particularly good propositions to make just now both in Real Estate and Stock, and shall be pleased to give fullest particulars to all calling on or writing to—

EAST & EAST,

AUCTIONEERS, REAL ESTATE,
SHAREBROKERS

WELLINGTON & CHRISTCHURCH.
