I Came

I Saw

I Conquered

HISTORY repeats itself, hence the most recent discovery
reaching the Acme of Perfection in—

Lighting, Heating & Cooking

BY THE

Mercury Safety Air Gas.

Trial is only required to endorse the views unanimously
expressed by those who have already availed themselves of
this, at once Unique, Economic and Permanent method of
obtaining Light, Heat and Cooking, at a

Minimum of Cost and Labour.

Whilst Cleanliness, that all important factor in household
economy, has with this up-to-date invention, proved itself
patent to all those who have had the opportunity afforded
them of using The MERCURY SAFETY AIR GAS PLANT.

Do Not Delay; Time is Money;

Light Means Comfort; Economic Heat Means Thrift;
Above all INSPECT OUR PLANT, which speaks for itself.

The N.Z. Mercury Safety Air Gas Co. Ltd.

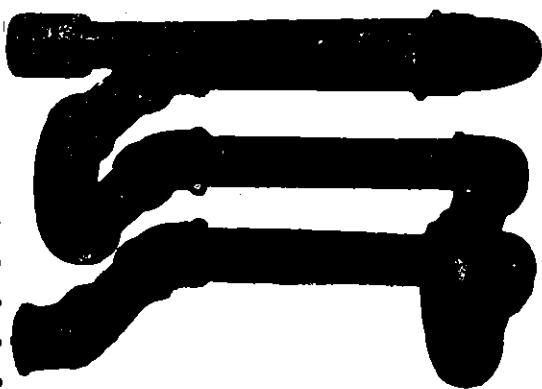

24 Strand Arcade, AUCKLAND.

The Jordan (Patent) Hot Water Coil

FOR DOMESTIC PURPOSES
