DIRECTORY

OF SUPPLIERS OF MATERIALS, &c., &c.

We frequently get enquiries from Architects, Builders, Engineers, &c., asking for names and addresses of suppliers of specialities connected with the various trades. Suppliers frequently assume that because they send out a printed circular or make a call now and then on users, that they have done all that is necessary to "keep the users' memory green." This is quite a mistake. The User must have **instant and ready means of reference** to some reliable source of information that he sees regularly.

This is why we have started this "**Directory**" to which hundreds of our clients refer almost daily. If you are a regular advertiser with us, your name goes into the Directory **free of charge**. If not, write us for terms which are nominal.
