

GRINNELL SPRINKLER AND FIRE ALARM.

It is operated automatically by the heat of the fire.

It gives an immediate and continuous alarm.

It confines damage, whether by fire or water, to a limited area.

It secures you **35 PER CENT** Rebate upon your Insurance Premiums.

The Sprinkler enables you to increase your insurance limit.

The Sprinkler covers your uninsured stock.

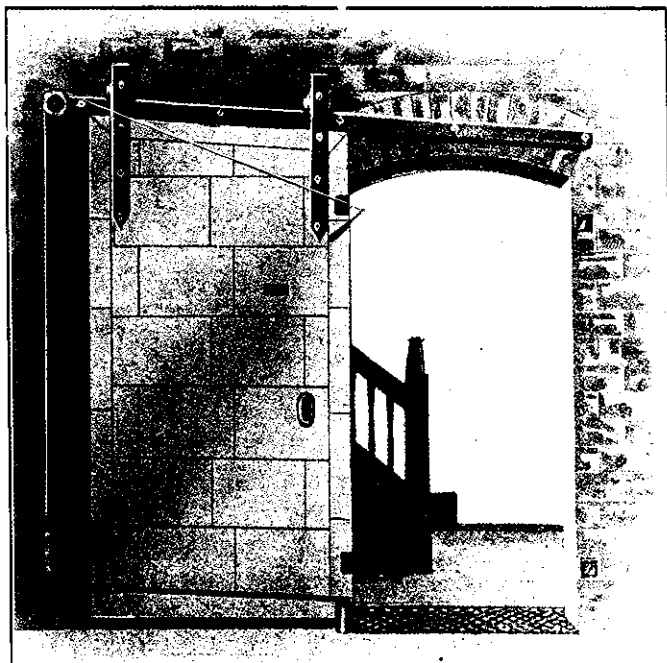

The Sprinkler prevents loss of business in case of fire.

The Sprinkler does not give a fire a chance; it gets to work before Fire Brigade arrives.

The saving in your insurance will pay for your Sprinkler.

Protect your premises and your business by installing the "GRINNELL" SPRINKLER.
