Our 49th Competition

We offer a prize of £1 1 0 for the best design for a

Band Rotunda.

The Rotunda is to be suitable for a public park, and is to be constructed as far as practicable of stone. There is no limit to cost, but mere size will not win the competition.

Each set of drawings to be on one small sheet, to be drawn to scale of one-eighth inch equal to one foot, and to consist of plan, elevation, and section. Drawings are to be inked in and shaded with diluted Indian ink. Any notes competitors wish to make are to be made on the drawings.

Mr. Leslie D. Coombs, A.R.I.B.A., of Dunedin, has kindly set this subject.

Designs must be sent in, finished as above, under a nom-de-plume, addressed to **Progress**, 8 Farish Street, Wellington, and marked clearly "Forty-ninth Prize Competition" on outside with a covering letter giving competitor's name, and address of employer. Designs to be sent in by December 10th.

Our 50th Competition

We offer a prize of £1 1 0 and a second prize of 10/6 for the Essay judged to be the best on

"The Quality of Fitness in Architecture."

Students are invited to write a short essay on the above subject. Among the various points to be considered are the suitability, or fitness, of different materials for the positions they are placed in, or the uses to which they are put. The fitness or otherwise, say, of designing a building for the centre of a city in the style of a country cottage; or a mansion in the Tudor style for a suburban section. The transgressions against this quality are so frequent and glaring, that there should be no trouble in criticizing them, but on the other hand, competitors are required to point out how and where attention has been and can be paid to it.

Length of Essay not to exceed 2000 words. Points will be given for original matter; practical application of the "quality," literary style, punctuation, grammar and spelling. Students are advised to read "Essentials in Architecture" by John Belcher, A.R.A. (5/-).

Mr. Basil B. Hooper, A.R.I.B.A., of Dunedin has kindly set this subject.

Essays must be sent in under a nom-de-plume, addressed to **Progress**, 8 Farish St., Wellington, and marked clearly "Fiftieth Prize Competition" on outside with a covering letter giving competitors's name, and address of employer. Designs to be sent in by January 10th.

Our 51st Competition

We offer a prize of £1 1 0 for the design adjudged to be the best for a

Motor House

with accommodation for two large sized cars and facilities for cleaning and general repairs. Building to be fire-resisting. No limit to cost, but lavish expenditure to be avoided. Building to be situated in clay

bank about ten feet high with unlimited width and depth. Drawings and ventilation must be shown and explained. Access to back of garage from upper level is also required.

Drawings required: Plan, elevation and two sections to 1/4-inch scale.

Mr. Wm. Fielding, Architect, of Wellington has kindly set this subject.

Designs must be sent in, in black and white under a nom-de-plume, addressed to **Progress**, 8 Farish Street, Wellington, and marked clearly "Fifty-first Prize Competition" on outside with a covering letter giving competitor's name, and address of employer. Designs to be sent in by February 10th, 1917.
