

## N.Z. BUILDING PROGRESS.

# DIRECTORY

## OF SUPPLIERS OF MATERIALS, &c., &c.

We frequently get enquiries from Architects, Builders, Engineers, &c., asking for names and addresses of suppliers of specialities connected with the various trades. Suppliers frequently assume that because they send out a printed circular or make a call now and then on users, that they have done all that is necessary to "keep the users' memory green." This is quite a mistake. The User must have instant and ready means of reference to some reliable source of information that he sees regularly.

This is why we have started this "Directory" to which hundreds of our clients refer almost daily. If you are a regular advertiser with us, your name goes into the Directory free of charge. If not, write us for terms which are nominal.
