

are 10 feet wide and have movable glass windows. In addition there is a flat roof, whence a beautiful view over Hagley Park and the Gardens can be obtained. An electric lift will enable patients to be taken up and downstairs without the necessity for removing them from their beds, the comfortable size of the lift permitting of the beds being wheeled into and out of it. A covered way connects the new wards with the main Hospital buildings. A sub-way running underneath this carries the steam pipes, etc., to the new wards. The Chalmers building was designed by Messrs Collins and Harman, and the contract was executed by Messrs W. Greig and Sons.

Mr. H. Hall, architect, Timaru, called for tenders for the erection of a brick store for the Canterbury Farmers' Association. Plans and specifications to be seen at architect's offices.

DUNEDIN

Messrs Mason and Wales, architects, called for tenders for additions to Bank of New Zealand at Balclutha, and also for additions to Columbia College, Dunedin.

WELLINGTON

Mr. P. C. Watt is the builder of business premises in Courtenay Place for The Dominion Motor Vehicles Ltd. The building is three storeys high and covers the whole site (which is approximately 75 ft. by 50 ft.), situated next to the Albion hotel. The ground floors will be used for show room and offices, and plate glass windows will extend the full length of the frontage. The upper floors will be used for warehouse purposes and they will be served by an electric lift for motor cars capable of raising 2½ tons at 60 ft. per minute. The interior of the building adjoining the site which is now used by the company as offices will be entirely altered and renovated. Mr. J. M. Dawson is the architect.

The Salvation Army has accepted the tender of Mr. M. Browman, in the sum of £8,997, for the erection of the Returned Soldiers' and the Workmen's Hostel at the corner of Vivian and Tory Streets. The main entrance to the hostel will be on the Vivian Street frontage. At the back of the entrance hall will be the office, and adjoining the hall will be the dining-room, which will have an additional entrance on the street corner. Besides the pantry, kitchen, larder, etc.,
