

## Some Recently Completed Buildings in Auckland.

### New Zealand Insurance Co.

This building is now almost completed, there being only some stone work required to finish the exterior. We are unable to publish a photo of the

the clock which has been re-erected on a new tower in Featherston Camp.

The Company is now installed in the premises, and occupies four floors to the west of the building. The remainder of the structure is sub-divided into

The N.Z. Insurance Building, Auckland.

completed building owing to this, and are therefore reproducing a perspective drawing. Illustrations are also shown of the old building which was demolished to make way for the new structure, and

numerous offices for letting purposes, which are accessible from three separate street entrances, viz: Queen Street, Hill Lane and Exchange Lane. The main entrance is on Queen Street, and is twelve feet
