## OF SUPPLIERS OF MATERIALS, &amp;c., &amp;c.

We frequently get enquiries from Architects, Builders, Engineers, etc., asking for names and addresses of suppliers of specialities connected with the various trades. Suppliers frequently assume that because they send out a printed circular or make a call now and then on users, that they have done all that is necessary to "keep the users' memory green." This is quite a mistake. The User must have *instant and ready means of reference* to some reliable source of information that he sees regularly.

This is why we have started this "*Directory*" to which hundreds of our clients refer almost daily. If you are a regular advertiser with us, your name goes into the Directory *free of charge*. If not, write us for terms, which are nominal.
