

## KELLY'S DIRECTORY OF Merchants, Manufacturers & Shippers

and Guide to the Export and  
Import Trades of the World

The great object of this Directory is to bring the Buyers and Sellers of all Countries into direct communication.

The work, which is published annually, contains in one volume the names of the Manufacturers, Merchants, Exporters and Importers for all Countries, and the Publishers can with confidence state that this is the only work in English which serves as a complete and accurate guide to both the Import and Export Trade of the entire world.

All Trade Headings are given in English and French and in the commercial language of the country to which the information refers so that the Directory can be readily used by the people of any country.

Our Representative will call on all N.Z. business houses every year.
