

306 STATIONS HEARD on the wonderful ULTIMATE

Read for Yourself!

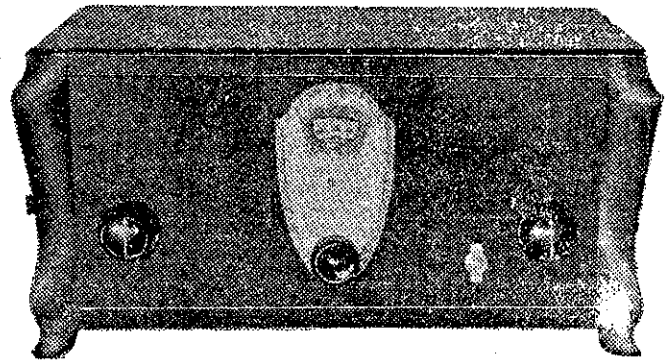

Messrs. Radio, Ltd.,
Auckland.

Le Bon's Bay,
June 15, 1929.

Dear Sirs,

Thank you for your letter of the 30th. Please find enclosed a complete list of Stations heard on the "Ultimate" G.4, with a good aerial. I think this is the only set in New Zealand to-day worth having. The following stations can be heard plainly about half-a-mile away from the loudspeaker: W2XAF, W2XAD, 3ZC, DHC, KDKA, PCJ, 3FM, and New Zealand Amateurs. The log included totals about 306 stations.—Very truly yours, C. R. ELLIOTT.

ALL-WAVE Four-Valve Screen-Grid Receiver

This outstanding performance is indeed a record in radio achievement. Yet when you look into the "Ultimate" it is not so surprising. No expense has been spared in producing this masterpiece of radio engineering. The best radio engineers expended truly elaborate efforts to assure the radio listeners of a set that will satisfy in every respect. Outstanding features are simplicity of operation, only one tuning control. Extreme efficiency. Exceptional tonal reproduction. Handsome appearance harmonising with any furnishing scheme.

It permits reception of short-wave as well as ordinary Broadcast Station Price, less Accessories £27/10/-
