Bequeath Protection

AN ESTATE built up with
 energy, foresight, and
 devotion may melt away
 in a few years if two simple
 precautions are not taken—the
 execution of a properly drawn
 will making due provision for
 dependants, and the appoint-
 ment of a faithful and capable
 trustee.

You may bequeath protection
 to your family by having a will
 prepared by the Public Trustee
 giving effect to your wishes and
 by appointing him executor and
 trustee.

CONSULT THE PUBLIC TRUSTEE
 OR HIS LOCAL REPRESENTATIVE.

 The British Medical Journal
 says:—"The most moderately
 clear and useful presentation of
 the case for birth control that we
 have seen." No married people
 or persons contemplating mar-
 riage should be without this re-
 markable book in which the
 delicate subject of contraception
 is covered frankly and clearly in
 an interesting manner."
