

RADIO STAMP CLUB

Second Annual Meeting
Held in Christchurch

THE second annual meeting of the Radio Stamp Club was held at Station 3YA, Christchurch, last week, when there was an attendance of approximately 100 members.

The election of officers resulted as follows: Patroness, Aunt Pat; president, Mr. McLaren (Uncle Dick); vice-presidents, Messrs Vernazoni and Cotton; committee, Miss Beryl Baggs, Masters Angus Small and Sydney Perkins; secretary, W. Peers; assistant

secretary, Linus Hubble; official organs, "New Zealand Stamp Collector" and "Radio Record."

The report showed that the membership had increased this year from 149 to 245. The attendance at the meetings held during the year and at the annual picnic were all very good, the smallest number at any meeting being 37 and the largest 72, there being an average attendance during the year of 51. General meetings have been held every second month at 3YA, and thanks were again due to Aunt Pat for so willingly giving her time and to the Broadcasting Board, through Mr. Mackenzie, for the use of the studio. Talks and displays have been given at all meetings, and at the annual picnic held in the Christchurch

Gardens in February. On the first Monday in each month a talk over the air has been given from 3YA, those helping in this respect being Messrs. Cotton, McLaren, Vernazoni, Peers, Miss B. Baggs and Master R. Robson.

The country members have been specially catered for, and an "Exchange Corner" has been arranged, whereby members have been put in touch with each other for the purposes of exchanging duplicates. The club is run without any obligation on the part of the members to pay a subscription, and as various gifts of valuable stamps have been received from many adult listeners, these have been utilised as prizes and for treasure hunts.

Can You Solve This Simple Puzzle?

Don't miss this splendid one-week competition! It is just a short and easily worded paragraph about A Strange Town, which appeared in a New Zealand newspaper some time ago, and has now been put into puzzle form by our artist. The opening words, "About 20,000 people . . ." will tell you what it is all about—and for the rest, the wording is simple and the sense of the sentence will help you. Each picture or sign may mean part of a word, one, two or three words, but not more than three. Errors are calculated on the basis of the number of words wrong.

Solve the puzzle carefully and write your solution IN INK on one side of a sheet of paper. Add your name and residential address and post the entry to:—
