Can You Solve This Simple Puzzle?

Don't miss this splendid one-week competition! It is just a short and easily worded paragraph about Hunting, which appeared in a New Zealand newspaper some time ago, and has now been put into puzzle form, by our artist. The opening words, "One of the..." will tell you what it is all about—and for the rest, the wording is simple and the sense of the sentence will help you. Each picture or sign may mean part of a word, one, two or three words, but not more than three. Errors are calculated on the basis of the number of words wrong.

Solve the puzzle carefully and write your solution IN INK on one side of a sheet of paper. Add your name and residential address, and post the entry to:—

"PUZZLE PIE" No. 69.
Box 950, G.P.O., CHRISTCHURCH.

READ THESE RULES CAREFULLY.

All entries must be postmarked not later than TUESDAY, NOVEMBER 27.

The First Prize of £50 will be awarded to the competitor whose solution of the paragraph is correct, or most nearly correct. In case of ties, the prize money will be divided, but the full amount will be paid.

Sealed Solution and £50 Prize Money is deposited with "Truth" (N.Z.) Ltd. A postal note for 1/- must accompany each initial entry and 6d. each additional entry. Stamps not accepted. Any number of attempts may be sent on plain paper. Alternatives in single entries will be disqualified. Results will be published on Friday December 7.

SOLUTION TO "PUZZLE PIE" No. 67.

"In a word, our very wealth in carboniferous deposits is a source of weakness. Any one of the more important coalfields could open twenty mines where now there may be only one or two, and the existing collieries could supply all the trade of the Colony ten times over and do a large export trade as well."
