## Tune in to ALL THE WORLD on the 1935 ALL-WAVE TEMPLE

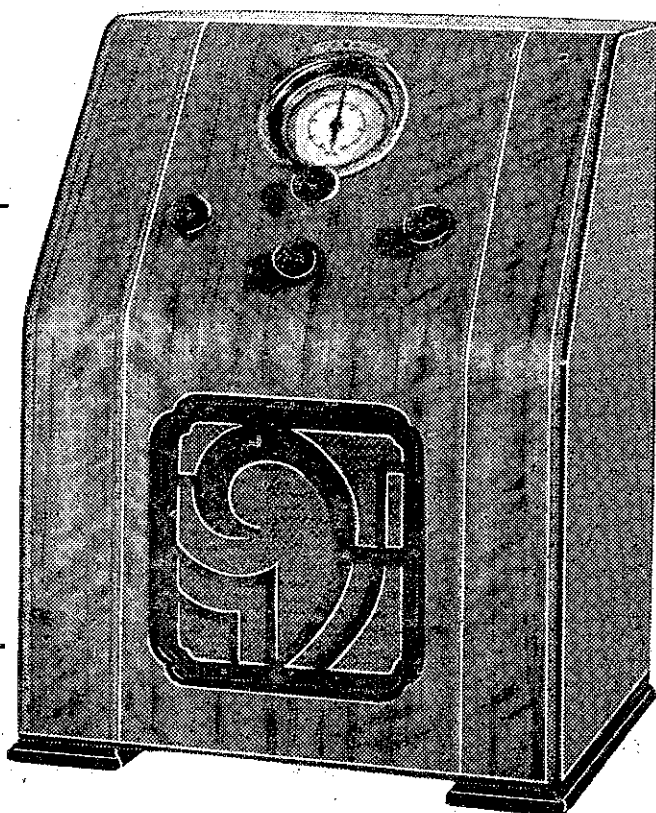

*with the latest*  
**INCLINED  
TUNING PANEL**

*The Sensation of the Season*

Why limit yourself to Broadcast reception? The new Temple All-Wave Set doubles your radio entertainment and costs no more.

Before leaving the factory every Temple Set passes a most rigorous test and is "aerial-tuned" on all wave lengths.

Write Ellis & Co., Auckland, for leaflet and price list, giving illustrations and full details of the new 1935 models. Don't buy until you have seen the new Temple!
