

THE GREATEST BATTERY NEWS EVER!

# The NEW EVER-READY SUPERDYNE RADIO "B" BATTERY

**A BIGGER  
AND  
BETTER  
BATTERY  
FOR THE  
SAME  
PRICE**

Size doesn't mean everything in a battery—but when increased size means increased working space, it must mean increased output and increased length of life. The New EVER-READY SUPERDYNE is the greatest contribution modern science has made to battery power. It is a masterbuilt product of the laboratories of the EVER-READY world-wide organisation. Recognised as Australia's — and the world's — best batteries — EVER - READY now offers you NEW EFFICIENCY and NEW ECONOMY.

Ask your dealer all about the New EVER-READY SUPERDYNE — made on an improved formula, from the finest materials procurable.
