### THE N.Z. GARDEN GUIDE

one of the most frequent questions a garden writer has to answer is: "Can you recommend a Garden Guide that will help me over all my troubles?"

We take the opportunity of presenting to you the "New Zealand Garden Guide." This successful and most useful book contains one thousand short

cuts and practical suggestions for New Zealand Gardeners. Profusely illustrated, it supplies the amateur gardener with all the information he requires, both in the flower and vegetable gardens.
