

For
Summer Days
And
Dancing Nights

Summery and youthful is the white knit sports frock (above) worn by Wynne Gibson, R.K.O. (Radio) player. It mirrors the new sloping shoulder line and has a cheery red tie. All the grace of ancient Greece is suggested in the evening gown on the left worn by Florence Lake, an R.K.O. (Radio) featured player. It is of powder blue chiffon, the only ornaments being silver and jet clips at the shoulders.
