

now for interesting prospective tourists, and New Zealand has been one of the first in the field to supply them with such material through the Tourist and Publicity Department.

Invercargill Now.

IF you're one of those people to whom the "Support Local Industry" signs in trams and shop windows mean anything, then maybe you'll be interested to know that Invercargill, too, has "gone Hollywood" and produced a talkie. "The Wagon and the Star" it is called and,

while the settings are scarcely "Broadway Melody" or "Cavalcade," it is said that some of the shots in the Eglington Valley are particularly beautiful. There are two original songs in it—"Men of the Road" and "I'm Going to Hitch My Wagon to a Star," both composed by Howard Moody.

No Golden Curls.

FREDDIE BARTHOLOMEW goes on record as the first actor to play "Little Lord Fauntleroy" without the traditional long golden curls and plush suit in the

Selznick International film version of the world-famous Frances Hodgson Burnett story, which co-stars the popular child star with Dolores Costello Barrymore. This departure from the tradition is the direct result of public reaction to the announcement that David O. Selznick, who makes his debut as an independent producer with this film, would let the fans decide whether Freddie should wear the long golden curls or his own short chestnut locks. In all other respects, however, Hugh Walpole, who adapted "Little Lord Fauntleroy" to the screen, has faithfully adhered to the universally

HEADS or TAILS

MUST BE WON

£350

FILL IN A FEW LETTERS AND WIN BIG MONEY!

Don't miss this splendid one-week competition! It simply consists of nine ordinary, everyday words, only each has some letters missing for YOU to find.

This is how to enter: For the purposes of the puzzle we number the alphabet 1 to 26 to make the code below, and, in addition we give you nine word clues which you also see underneath. NOW, THE PUZZLE IS TO MAKE THE LARGEST SCORE OF LETTER NUMBERS YOU CAN IN WORDS ANSWERING THOSE CLUES AND EXACTLY FILLING THE FRAME.

For example clue No. 1 is "Useful farm animal." You are given the last letter W, thus you can complete the word by adding CO, making the word "COW." The letter values of this word, reading from the code below, are 3, 15 and 23, a total of 41. Now carry on with clue No. 2 in which you are given the first letter. THE SECRET IS TO FIND NINE SUITABLE WORDS WITH THE LARGEST LETTER VALUES. Only recognised words suitable to the clues and contained in Chambers' or Webster's Dictionaries will be permitted.

REMEMBER, YOUR WORDS MUST ALL FIT IN THE SPACES OF THE FRAME STRAIGHT DOWNWARDS FROM TOP TO BOTTOM. Thus the letters given you for each word are sometimes at the head and sometimes at the tail of the word.

When you have completed the nine words, work out the letter value for each word as in the above example, write out a list of the words IN INK on a sheet of paper, place opposite each word its total letter value, add up the nine totals, and this will give you the final total value of your solution. Add your name and residential address and post the entry to:-
