Champion 6 WAY TESTED VALVES

BOTH METAL AND GLASS TUBES

Two styles, Metal and Glass Tubes, each a Real Champion in its own sphere. Before O.K., each Valve has to pass through six gruelling efficiency tests—and is then packed in a fool-proof, sealed carton. Champion Valves cost no extra—yet give outstanding performance.

Factory Distributors: ELLIS AND CO., LTD., Chancery Chambers, Auckland.

Stockists:—WARWICK SMEETON, LTD., Auckland; CHAS. BENNETT, LTD., Christchurch; ELECTRIC AND PLUMBING SUPPLIES, LTD., Dunedin.
