

WHAT IS THE REASON FOR THIS INCREASING PREFERENCE FOR RADION? UP 1936

—the Aristocrat

THE SALES OF UP 1934
RADION UP 1933
ARE GOING UP 1932

We are selling more RADIONS in one month now than we did for the whole twelve months of 1932.

What is the reason for this public preference? Simply because RADION offers more for less! For every RADION is carefully made of the highest quality components, rigorously tested to give outstanding service — a lifetime of faithful efficiency. Any one of the dealers below will gladly let you hear a RADION—the easiest-to-buy set selling in the country!

"WOMAN'S CHANGE OF LIFE"

A new book in which Dr. G. C. BEALE deals in practical manner with this important subject. The following brief synopsis will give some indication of the completeness of the work: "The 'Ductless' Glands. What Really Causes the Change of Life? The Influence of Race, Climate, Constitution. Dangers to Guard Against. Change of Life in Man. Prevention and Conquest of Climacteric Ailments." The "Nursing Mirror" says:—"Sound and practical advice—there is no other book ... dealing with the subject in exactly the same way ... Women often long for such advice as is given in its pages." "Modern Woman" says:—"Middle aged women will find much to help them."
