Dear Sir,  
I am directed by the Executive of the above Club to advise you that at a meeting held last Friday it was unanimously resolved that:  
"This Committee, after examining and testing Radios in the Auckland Labour Club, is of the opinion that for reception, tone, and service, the "Radion" A.C.D.C. All-wave Console is the best Radio procurable, and therefore same be installed in the Club House."  
Thanking you in anticipation of your prompt attention.

With best wishes,  
Yours faithfully,  
J. T. JENNINGS, President.

Original may be seen on application.

Illustrated is the RADION Grand Console—the choice of the Auckland Labour Club.

Radion may be purchased from any of the authorised Radion dealers on the right or direct from Home Utilities Division of Todd Motors Ltd., Wellington and Christchurch.

Whatever RADION model you choose, you can be certain of getting the same fine performance, value and perfection of workmanship as distinguishes the Grand Console.
