

22 YEARS'

experience pioneering electric refrigeration improvements and more than half a century devoted to building fine cabinets are behind the new KELVINATOR models . . . the finest value that KELVINATOR, the oldest and best known name in electric refrigeration, has ever offered. Only KELVINATOR, with its successful record of meeting the needs of millions, can offer such values.

PROVED DEPENDABILITY

Built of finest materials . . . engineered to the same exacting standards of precision demanded in an expensive watch . . . it is not surprising that KELVINATOR refrigerators are known the world over for trouble-free, economical operation under every conceivable condition.
