GET QUICK
RELIEF FROM
INDIGESTION

UNDER normal conditions you never think of the marvellous process we call digestion. It is only when breakdown comes, when the tragedy of indigestion, gastritis or dyspepsia looms before you, that you realise what good digestion really means.

Modern civilized conditions, however, are seldom, if ever, "normal" conditions. Irregular meals, badly cooked food, hastily eaten food, over indulgence at meals, lack of sufficient exercise, daily bring fresh victims to the vast army of those suffering from indigestion—dyspepsia.

We must emphasize the folly of neglecting indigestion and its many symptoms. Do not wait until strength turns to weakness, until your old vitality and vigour are lost, your nerves all frayed and ragged with constant pain. Take heed and do something now or you will surely become a miserable, irritable, chronic invalid.

De Witt's Antacid Powder has been compounded to meet the complicated nature of digestive troubles. From the first dose you will get quick relief.
