GREAT MUSCULAR STRENGTH AND DEVELOPMENT ACQUIRED EASILY--QUICKLY--BY SWEDISH PROFESSOR'S STARTLING NEW METHOD. NO HARD WORK. FREE BOOK EXPLAINS HOW.

No half-baked promises with me—I give definite proof in just ten short days. If you really and truly want giant power and vibrant energy—turn that body of yours over to me now! I'll show you how to make your body into an image of a Greek god! Transform that loose skin and flabbiness into rolling, rippling muscles! Those stooped, rounded shoulders into a broad he-man's! Develop your chest and arms into powerful emblems of strength. You CAN do this—I did it—and my exclusive, modern system of Tensic Development will do it FOR YOU.

I will also give you a powerful fighting personality—a personality that commands respect and attention anywhere. I will increase your personal magnetism—women will openly admire you—your men friends will be envious—and life will become vibrant and full of joy once again. My marvellous system shows you how to sidestep disease—to build your body into something far beyond your fondest hopes, and so impressive that you'll gasp with amazement.

No matter how weak and small you are now—how flabby, flat or discouraged you may be about your body—my Tensic Development Course will definitely transform you practically overnight. I'll take your arms and turn them into lithe steel—with fists like battering rams! I'll take your shoulders and broaden them out into masses of cast-iron muscle. I'll straighten your back—tighten your waist—improve your lungs, heart, stomach, kidneys and liver—and give you a real he-man's chest.

APPARATUS IS OUT

There is no mystery about my system—it is easy to follow. Tensic Development is an entirely natural method, and is the modern application of the age-old secret of strength known to the ancients and animals of the jungle.

I've no time for "ifs," "ands" and "maybes"—just tell me where you want handsome, powerful muscles, and my system of Tensic Development will give them to you easily, quickly.

HOW DO YOU LOOK ON THE BEACH?

A weak, scrawny-looking specimen of manhood—or a physical giant with broad shoulders and muscles of steel? The one who always has to agree—or the one who makes definite statements and can back them up if necessary? Which ever you are—I can make you—and will guarantee to do so—into a healthy, strong man with smooth, rippling muscles of steel, with the speed and crushing power of the panther—the man whose opinion is sought for—whose word is final—and who receives admiration and respect from both men and women alike.

Be that man! The Physical giant who is envied and whose vibrant magnetism always attracts the opposite sex. I'll make you that man right away—if you'll rush the coupon to me now!
